

PlanetMark

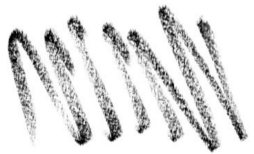

# We are Planet Mark Certified

## Year 1.

**This is to certify that Cummins Allison has achieved the Planet Mark by measuring and reporting its carbon footprint and engaging its stakeholders.**

Valid to: 30 June 2021

### Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

**230.1 tCO<sub>2</sub>e**

Total carbon footprint.

**4.8 tCO<sub>2</sub>e**

Carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

- Reporting Boundary: William H. Klotz House, Coventry
- Emission sources: electricity, T&D losses, fleet
- Reporting Period: 1 Apr 2019 –31 Mar 2020

## Engage

**48**

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

## Communicate

**5**

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
