

PlanetMark

We are Planet Mark Certified

Year 1.

This is to certify that Clarke Controls Ltd has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

8.2 tCO₂e
Absolute carbon reduction.

2.0 tCO₂e
Absolute carbon per employee.

0.41 tCO₂e
Target carbon reduction.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

Reporting Boundary: Main Office - CCL

Emission sources: Electricity, T&D losses, homeworking energy, waste, fleet, and paper use.

Reporting Period: 01 Jan 2020 - 31 Dec 2020

Engage

4
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
