

PlanetMark

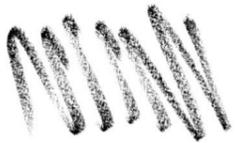

We are Planet Mark Certified

Year 1.

propelair[®]

This is to certify that Propelair has achieved the Planet Mark by measuring and reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2020

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

73.9 tCO₂e

Total carbon footprint.

4.1 tCO₂e

Carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

- Locations: 2 UK site operations Basildon and Stanford le Hope
- Emission sources: electricity, water, waste, travel, paper
- Reporting Period: 1 Jan 2018 31 Dec 2018

Engage

18

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

4

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 4 SDG's.
