

PlanetMark

We are Planet Mark Certified

Year 10.

This is to certify that Prologis has achieved the Planet Mark by reporting a reduction in its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

-24.2%

Absolute carbon reduction.

-30.1%

Carbon reduction per employee.

-40.1%

Carbon reduction per turnover.

136.1 tCO₂e

Total carbon footprint.

2.6 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: London and Solihull office operations

Emission sources: Electricity, T&D losses, natural gas, waste, homeworking emissions (not included in total footprint), business travel, hotel stays

Reporting Period: 01 Jan 2020 – 31 Dec 2020

Engage

52

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

9

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 9 SDG's.
