

PlanetMark

We are Planet Mark Certified

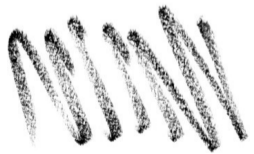

Year 1.

ARGENTEX

This is to certify that Argentex has achieved the Planet Mark by measuring and reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 march 2021

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

35.5 tCO₂e

Total carbon footprint.

0.7 tCO₂e

Carbon footprint per employee.

£30,890

Total Social Value.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

- Reporting boundary: Main Office (5 Old Bond Street, Mayfair, W1S4PD)
- Emission sources: Electricity, T&D Losses, Water, Homeworking, Business Travel
- Reporting Period: 1 Apr 2019 –31 Mar 2020

Engage

47

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
