

We are Planet Mark Certified

Year 2.

atomico

This is to certify that Atomico has
achieved the Planet Mark by
reporting a reduction in its carbon
footprint and engaging its
stakeholders.

Valid to: 30 June 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

-94.9%

Absolute carbon reduction.

-95.5%

Carbon reduction per employee.

30.9 tCO₂e

Total carbon footprint.

0.5 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: 2 Stephen Street and Business Operations

Emission sources: Electricity, T&D losses, natural gas, water, waste, business travel, paper, WTT, radiative forcing, courier/freight, homeworking (excluded from footprint)

Reporting Period: 1 April 2020 – 31 March 2021

Engage

57

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

9

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 9 SDG's.
