

# We are Planet Mark Certified

Year 6.

# Benniman

This is to certify that Benniman  
Construction Group has achieved the  
Planet Mark by reporting a reduction  
in its carbon footprint and engaging  
its stakeholders.

Valid to: 31 March 2023

#### Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

**-45.0%**

Carbon reduction per £m turnover.

**486.1 tCO<sub>2</sub>e**

Total carbon footprint.

**12.0 tCO<sub>2</sub>e**

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

**Reporting Boundary:** Office, Yard and 21 construction sites

**Emission Sources:** Electricity, T&D losses, Building Fuel, Water, Fleet, Business Travel, Waste, Paper and Homeworking (not included in total footprint)

**Reporting Period:** 01 Jan 2021 to 31 Dec 2021

## Engage

**40**

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

## Communicate

**6**

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 6 SDGs.
