

PlanetMark  
Certified Business

# We are Planet Mark Certified

Year 8.

**This is to certify that Bidfood has achieved the Planet Mark by reporting a reduction in its carbon footprint and engaging its stakeholders.**

Valid to: 30 September 2022

**Empowering change for a brighter future.**

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

**-12.5%**

Absolute carbon reduction.

**-4.6%**

Carbon reduction per employee.

**44,052.7 tCO<sub>2</sub>e**

Total carbon footprint.

**10.2 tCO<sub>2</sub>e**

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

**Reporting Boundary:** Scopes 1 and 2: The operational boundary encompasses all energy consumption for their estate of 30 operational depots and 5 office locations, commercial fleet of over 1,000 delivery trucks and business miles from company cars. Included are refrigeration gas and air conditioning gas losses from the estate. Gas losses from refrigeration fleet are also captured.

**Emission sources:** Electricity, Natural Gas, Fleet, Refrigeration, Waste, Business Travel

**Reporting Period:** 1 July 2020 - 30 June 2021

## Engage

**4,337**

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

## Communicate

**9**

**Sustainable Development Goals.**

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 9 SDG's.
