

# We are Planet Mark Certified

Year 9.

**Bywaters**  
recycling made easy

This is to certify that Bywaters has  
achieved the Planet Mark by reporting  
a reduction in its carbon footprint and  
engaging its stakeholders.

Valid to: 31 March 2023

**Empowering change for a brighter future.**

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

**-12.7%**

Absolute carbon reduction.

### Location-based

**2,222.7 tCO<sub>2</sub>e**

Total carbon footprint.

**11.0 tCO<sub>2</sub>e**

Total carbon footprint per employee.

### Market-based

**2,505.9 tCO<sub>2</sub>e**

Total carbon footprint.

**12.4 tCO<sub>2</sub>e**

Total carbon footprint per employee.

**£23,041**

Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

**Reporting Boundary:** Head Office & MRF (Lea Riverside) and Transfer Station (Gateway Road), London
