

We are Planet Mark Certified

Year 11.

COOL EARTH

This is to certify that Cool Earth
has achieved the Planet Mark by
reporting a reduction in its carbon
footprint using the emissions banking
approach and engaging its stakeholders.

Valid to: 30 April 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

9.5 tCO₂e
Total carbon footprint.

0.5 tCO₂e
Total carbon footprint per employee.

Market-based

6.3 tCO₂e
Total carbon footprint.

0.3 tCO₂e
Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Head Office (Cool Earth, Tremough Innovation Centre, Penryn, TR10 9TA)

Emission Sources: Electricity, T&D Losses, Natural Gas, Business Travel, Paper, and Homeworking (not included in total footprint)

Reporting Period: 01 Feb 2021 to 31 Jan 2022

Engage

20

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year-on-year progress in sustainability.

Communicate

5

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDGs.
