

PlanetMark

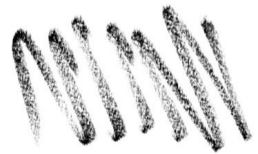

# We are Planet Mark Certified

## Year 5.

**This is to certify that DP World London Gateway port has achieved the Planet Mark by measuring and reporting its carbon footprint and engaging its stakeholders.**

Valid to: 31 March 2021

### Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

Location-based comparison.

**2.9%**

Carbon reduction per TEU in 2018 compared to 2017.

**11.3%**

Carbon reduction target per TEU.

Market-based footprint.

**22,668.5 tCO<sub>2</sub>e**

Total carbon footprint.

**0.02 tCO<sub>2</sub>e**

Carbon footprint per employee TEU

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.
