

PlanetMark
Certified Business

We are Planet Mark Certified

Year 11.

eden project

This is to certify that the Eden Project has achieved the Planet Mark by reporting a reduction in its carbon footprint and engaging its stakeholders.

Valid to: 30 June 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

-43.6%

Total carbon reduction per 1,000 visitors.

Location-based

1,906.2 tCO₂e

Total carbon footprint.

3.1 tCO₂e

Total carbon footprint per 1,000 visitors.

Market-based

1,188.4 tCO₂e

Total carbon footprint.
