

PlanetMark

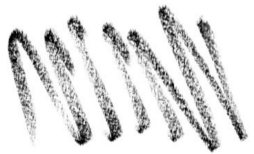

We are Planet Mark Certified

Year 5.

Higgins

This is to certify that Higgins Construction has achieved the Planet Mark by measuring and reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2021

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

15.1%

Absolute location-based carbon reduction.

25.3%

Absolute market-based carbon reduction.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

- Reporting Boundary: Loughton head office operations
- Emission sources: electricity, T&D losses, natural gas, water, and vehicle fleet
- Reporting Period: 1 Jan 2019 –31 Dec 2019

Engage

119

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

7

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 7 SDG's.
