

PlanetMark
Certified Business

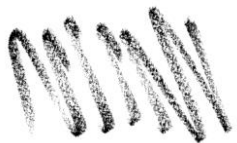

We are Planet Mark Certified

Year 3.

This is to certify that ISG has achieved the Planet Mark by reporting a reduction in its carbon footprint using the emissions banking approach and engaging its stakeholders.

Valid to: 31 March 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

12,497.8 tCO₂e

Total carbon footprint.

4.2 tCO₂e

Total carbon footprint per employee.

Market-based

11,578.7 tCO₂e

Total carbon footprint.

3.9 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Offices, sites and accommodation related to UK and International ISG sites over which ISG have financial control.

Emission Sources: Electricity, T&D Losses, Gaseous fuels, Other Fuels, Refrigerants, Waste, Travel, Commuting

Reporting Period: 01 Jan 2021 – 31 Dec 2021

Engage

2,992

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

8

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 8 SDGs.
