

We are Planet Mark Certified

Year 2.

your pension our world

**This is to certify that London Pensions
Fund Authority has achieved the
Planet Mark by reporting its carbon
footprint and engaging its
stakeholders.**

Valid to: 30 June 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

17.2 tCO₂e

Total carbon footprint.

2.2 tCO₂e

Total carbon footprint per employee.

-41.4%

Carbon reduction per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: London Pensions Authority Fund Office, 169 Union Street, London, SE11 0LL

Emission sources: Electricity, T&D losses, natural gas, water, waste, business travel, homeworking (excluded from footprint)

Reporting Period: : 1 Apr 2020 - 31 Mar 2021

Engage

8

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

6

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 6 SDG's.
