

PlanetMark

We are Planet Mark Certified

Year 2.

NuServe

This is to certify that NuServe has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

28.9 tCO₂e

Total carbon footprint.

0.2 tCO₂e

Total carbon footprint per employee.

£83,989

Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: The Stables and Annexe (Bonnetts Lane, Ilfield, West Sussex, RH11 0NY), London (Unit 3, 1 Mill St, Scot Sufferance Wharf, London)

Emission sources: Electricity, T&D losses, homeworking energy (not included in total footprint), water, waste, fleet, business travel, paper use

Reporting Period: 01 Jan 2020 – 31 Dec 2020

Engage

183

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

7

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 7 SDG's.
