

PlanetMark
Certified Business

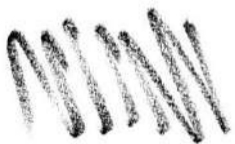

We are Planet Mark Certified

Year 4.

This is to certify that Sanderson Design Group PLC has achieved the Planet Mark by reporting a reduction in its carbon footprint using the emissions banking approach and engaging its stakeholders.

Valid to: 30 April 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

7,452.9 tCO₂e
Total carbon footprint.

12.8 tCO₂e
Total carbon footprint per employee.

66.4 tCO₂e
Total carbon footprint per turnover.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Electricity, T&D losses, natural gas, fleet, business travel

Emission sources: All Sites (Standfast & Barracks Fabric Printing, Anstey Wallpaper Company, SDG Brands Ladybird House, SDG Brands WG1 warehouse & distribution, SDG Brands WG2 warehouse & distribution, SDG Brands and PLC HO, SDG Brands Chelsea Harbour Showrooms, C&C Office, SDG Brands storage unit, SDG Brands, Road Reps)

Reporting Period: 01 Feb 2021 to 31 Jan 2022

Engage

581

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

7

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 7 SDG's.
