

PlanetMark

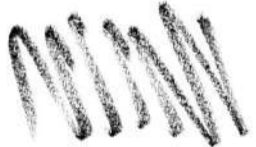

We are Planet Mark Certified

Year 1.

CHIME™

This is to certify that Chime Communications has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

1,278.6 tCO₂e

Total carbon footprint.

0.6 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

Reporting Boundary: Global operations

Emission sources: Electricity, natural gas, fleet, air, rail, hire van

Reporting Period: 01 Jan 2020 - 31 Dec 2020

Engage

2,108

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

4

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 4 SDG's.
