

PlanetMark  
Certified Business

# We are Planet Mark Certified

Year 4.

BEEVER  
AND  
STRUTHERS

This is to certify that Beever and Struthers has achieved the Planet Mark by reporting a reduction in its carbon footprint using the emissions banking approach and engaging its stakeholders.

Valid to: 31 March 2024

**Empowering change for a brighter future.**  
The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

### Location-based

**98.5 tCO<sub>2</sub>e**  
Measured carbon footprint.

**0.4 tCO<sub>2</sub>e**  
Measured carbon footprint per employee.

### Market-based

**79.9 tCO<sub>2</sub>e**  
Measured carbon footprint.

**0.3 tCO<sub>2</sub>e**  
Measured carbon footprint per employee.

**£1,801,069**  
Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.
