

PlanetMark

We are Planet Mark Certified

Year 1.

This is to certify that the University of Greenwich has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 October 2021

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

8,467.7 tCO₂e

Total carbon footprint.

0.5 tCO₂e

Total carbon footprint per student & staff.

Market-based

4,658.2 tCO₂e

Total carbon footprint.

0.3 tCO₂e

Total carbon footprint per student & staff.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

Reporting Boundary: University of Greenwich, Old Royal Naval College, Park Row, London SE10 9LS

Emission sources: Electricity, T&D losses, natural gas, other fuels, water, waste, fleet, business travel, homeworking energy (excluded from total carbon footprint)

Reporting Period: 01 Aug 2019 - 31 July 2020

Engage

17,741

Students & staff.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

9

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 9 SDG's.
