

PlanetMark
Certified Business

We are Planet Mark Certified

Year 1.

HTA

This is to certify that Horticultural Trades Association has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

75.7 tCO₂e
Total carbon footprint.

2.1 tCO₂e
Total carbon footprint per employee.

Market-based

30.0 tCO₂e
Total carbon footprint.

0.8 tCO₂e
Total carbon footprint per employee.

£8,091
Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Horticulture House (Chilton, OX11 0RN)

Emission sources: Electricity, T&D losses, water, waste, fleet, business travel, paper, freight, homeworking (excluded from footprint)

Reporting Period: 01 Jan 2020 – 31 Dec 2020

Engage

37
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

7
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 7 SDG's.
