

PlanetMark
Certified Business

We are Planet Mark Certified

Year 1.

This is to certify that Caddick Construction has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 November 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

1,138.3 tCO₂e
Total carbon footprint.

4.2 tCO₂e
Total carbon footprint per employee.

£101,025
Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Chepstow House, Calder Grange and Construction Sites

Emission sources: Electricity, T&D, On-site Renewables, Natural Gas, Building Fuel, Water, Business Travel, Waste, Paper and Homeworking (not included in footprint)

Reporting Period: 01 Sep 2020 to 31 Aug 2021

Engage

270
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
