

PlanetMark
Certified Business

We are Planet Mark Certified

Year 2.

This is to certify that Caddick Construction has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 November 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
