

We are Planet Mark Certified

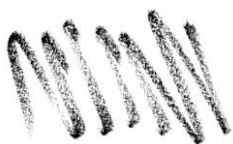

Year 1.

**Best
Practice
Network**

**This is to certify that Best Practice
Network has achieved the Planet Mark
by reporting its carbon footprint and
engaging its stakeholders.**

Valid to: 29 February 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

32.3 tCO₂e

Measured carbon footprint.

0.3 tCO₂e

Measured carbon footprint per employee.

Market-based

29.0 tCO₂e

Measured carbon footprint.

0.2 tCO₂e

Measured carbon footprint per employee.

£163,052

Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.
