

PlanetMark  
Certified Business

# We are Planet Mark Certified

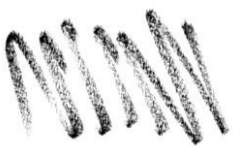

Year 1.

**RMets**  
Royal Meteorological Society

**This is to certify that the Royal Meteorological Society has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.**

Valid to: 31 March 2024

**Empowering change for a brighter future.**

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

## Measure

### Location-based

**7.3 tCO<sub>2</sub>e**  
Total carbon footprint.

**0.6 tCO<sub>2</sub>e**  
Total carbon footprint per employee.

### Market-based

**7.3 tCO<sub>2</sub>e**  
Total carbon footprint.

**0.6 tCO<sub>2</sub>e**  
Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

**Reporting Boundary:** Reading Headquarters (104 Oxford Road, Reading RG1 7LL)

**Emission Sources:** Electricity, T&D Losses, Natural Gas, Water, Onsite Renewables, Business Travel, Waste, Paper, Homeworking (excluded from footprint)

**Reporting Period:** 01 Jan 2022 – 31 Dec 2022

## Engage

**13**

**FTE employees.**

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

## Communicate

**6**

**Sustainable Development Goals.**

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 6 SDGs.
