

PlanetMark
Certified Business

We are Planet Mark Certified

Year 1.

This is to certify that Westminster Stone Company has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

199.6 tCO₂e

Total carbon footprint.

8.1 tCO₂e

Total carbon footprint per employee.

Market-based
