

We are Planet Mark Certified

Year 1.

APPLEBY

This is to certify that Appleby has
achieved the Planet Mark by
reporting its carbon footprint and
engaging its stakeholders.

Valid to: 30 June 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

1,235.2 tCO₂e
Measured carbon footprint.

2.6 tCO₂e
Measured carbon footprint per employee.

Market-based

1,235.2 tCO₂e
Measured carbon footprint.

2.6 tCO₂e
Measured carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Bermuda, BVI, Cayman, Guernsey, Hong Kong, Isle of Man, Jersey, Mauritius, and Seychelles

Emission Sources: Electricity, T&D Losses, Natural Gas, Refrigerants, Diesel Fuel, Fleet and Homeworking (not included in total footprint)

Reporting Period: 01 Apr 2022 to 31 Mar 2023

Engage

476

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

3

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 3 SDGs.
