

PlanetMark
Certified Business

We are Planet Mark Certified

Year 2.

BeaconHouse

This is to certify that BeaconHouse Events has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

7.5 tCO₂e

Measured carbon footprint.

1.4 tCO₂e

Measured carbon footprint per employee.

Market-based

13.4 tCO₂e

Measured carbon footprint.

2.6 tCO₂e

Measured carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Head office operations

Emission Sources: Electricity, T&D Losses, Natural Gas, Waste, Business Travel, Commuting, Homeworking (excluded from footprint)

Reporting Period: 01 Jan 2022 to 31 Dec 2022

Engage

5

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

3

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 3 SDGs.
